### 1. LICENSE

1.1 **Grant.** Subject to the terms and conditions of this Agreement, including payment of the subscription fee set forth in the order submitted by Licensee and accepted by Allure (the "Order"), Allure hereby grants to Licensee a limited, nonexclusive, non-transferable license to access and use the Software (as well as download any client component which is required to be installed locally on Licensee's computer(s)), without the right to grant sublicenses, during the subscription term set forth in the Order (the "Subscription Term") solely for Licensee's internal business purposes. For the avoidance of doubt, the license duration for any software installed locally on Licensee's computer(s) shall be for the corresponding Subscription Term. Licensee acknowledges and agrees that Allure may continually develop new or modified features, functionality, capabilities and services in connection with the Software. Accordingly, Allure reserves the right to modify the Software from time to time. Some modifications may be provided to Licensee at no additional charge. In the event Allure adds additional features, functionality, capabilities or services to the Software, Allure may condition the implementation of such modifications on Licensee's payment of additional fees, and Licensee will not be entitled to such new features, functionality, capabilities or services unless Licensee pays such fees. However, any corrections, enhancements, and upgrades to the Software that are made available to Licensee shall be considered "Software" governed by this Agreement. Licensee shall, as applicable, promptly install updates to Software as may be provided by Allure.

Licensee may permit the Licensee's individual employees, contractors or agents ("Authorized Users") to access and use the Software on behalf of and for the benefit of the Licensee. Licensee may access the Software only through the passwords, security protocols and policies and/or network links or connections provided, or otherwise authorized by, Allure. Licensee is responsible for all use of the Software by its Authorized Users, for obtaining any equipment and services necessary for it and its Authorized Users to connect to, access and use the Software, including without limitation computer hardware, software, telephone lines and Internet access. Licensee shall immediately notify Allure if Licensee discovers or suspects any unauthorized use of the Software, or if Licensee knows or suspects that any of the passwords or other access protocols ("Access Protocols") have been lost or stolen or become known to any unauthorized person. If Allure, in its absolute discretion, considers an Access Protocol to be insecure or to have been used inappropriately, then Allure may immediately cancel the Access Protocol and shall provide prompt written notice to Licensee. Such notice may be in paper or electronic format.

In the event you have licensed the Software on a trial or evaluation basis, the Software is provided "as is" only, without any warranty, and the terms of Section 5 shall not apply. Licensee assumes all risk with respect to its use of the software on a trial or evaluation basis.

1.2 **Documentation.** Licensee shall be entitled to (a) use the user manuals and other technical materials, made available in any form by Allure to Licensee in connection with Licensee's use of the Software ("Documentation") internally solely to support its authorized use of the Software, and (b) make that number of copies of the Documentation as are reasonably required for its use of the Software. Any such copies shall include all trademarks or other proprietary legends where and as set forth in the original. Licensee agrees not to provide access to the Documentation to any third party except Authorized Users.

1.3 **Usage Restrictions.** Licensee and Authorized Users will not: (a) use the Software other than solely for Licensee's internal business purposes; (b) copy, reproduce, modify, translate, transmit, reverse engineer, disassemble or decompile or otherwise attempt to derive the source code of any Software; (c) license, sublicense, sell, resell, lease, loan, transfer, assign, distribute, rent or otherwise make available the Software to or for the benefit of any person other than Authorized Users; (d) modify or create derivative works based upon the Software; (e) remove, alter, obscure, destroy or attempt to circumvent any trademarks, notices, proprietary codes, means of identification, digital rights management information, or terms and conditions agreements on, in or in relation to the Software; (f) use access to the Software and/or Allure's Confidential Information for purposes of creating competing products and/or services ; (g) defraud or deceive any third party through the Software; (h) damage, interfere with or disrupt the integrity, performance or use of the Software; (i) transmit or store infringing, obscene, threatening, libelous or otherwise unlawful or offensive data or material, or data or material that violates the rights of any third party; or (j) transmit or store material containing viruses, worms, trojan horses or other harmful computer code, files, scripts, agents or programs.

1.4 **Compliance with Laws.** Licensee represents and warrants that the use of the Software by Licensee and its Authorized Users will comply with all applicable local, state, federal and foreign laws, rules and regulations.

1.5 **Licensee Data.** Certain information, data, and other Licensee content provided by Licensee or third parties on Licensee's behalf ("Licensee Data") may be required for the proper operation of the Software or in order for Allure to perform mutually agreed services. Licensee shall make available in a timely manner at no charge to Allure all Licensee Data required by Allure for the proper operation of the Software or the performance of its obligations under this Agreement. As between Licensee and Allure, Licensee retains all right, title and interest in and to the Licensee Data. Licensee hereby grants to Allure a limited, royalty-free, non-exclusive, non-transferable license during the Subscription Term to use, copy, reformat, display, disclose and distribute the Licensee Data solely for the purpose of Allure's performance its obligations hereunder. Licensee shall be responsible for and assumes the risk and expense of, any problems resulting from, the accuracy, quality, integrity, legality, reliability, and appropriateness of all such Licensee Data. Licensee is responsible for ensuring that Licensee Data is separately backed up.

1.6 **Notification of Monitoring.** Licensee acknowledges that the Software is designed to identify unauthorized disclosure or use of sensitive Licensee documents inside and outside of Licensee's organization, and abnormal or potentially malicious user behavior. Licensee agrees that it notifies its employees and any third parties using its networks, through a published policy or otherwise, that Licensee monitors its networks to prevent sensitive data loss using tools such as the Software and that such employees and third parties have no expectation of privacy when using such networks. Licensee agrees to indemnify and hold harmless Allure and its affiliates, subsidiaries, shareholders, officers, directors, employees, contractors, agents and representatives (together, the "Allure Indemnified Parties") against any cost, claim, liability or expense including, without limitation, reasonable attorneys' fees and related costs, that any of the Allure Indemnified Parties incurs from a third party claim (including a government investigation) that arises out of or is related to Licensee's breach of this Section 2.9.

1.7 **Support and Maintenance; Service Level Agreement.** During the Term, Allure will provide telephone or email support during Allure normal business hours to Authorized Users in accordance with Allure's Maintenance and Support Policy, found at <http://www.alluresecurity.com/contracts/support-policy.pdf>. Service level objectives applicable to the Software are also set forth therein. Allure reserves the right to change such Maintenance and Support Policy in its discretion upon notice to Licensee, provided that Allure will not materially decrease the overall support provided during the Term.

## 2. PROPRIETARY RIGHTS

2.1 **Ownership of Software.** Allure (or its licensors and suppliers) owns and retains all right, title and interest in and to the Software and the Documentation and all technology used to provide access to the Software, including all related intellectual property and industrial property rights and all derivative works based on the foregoing (including but not limited to modifications or derivative works created at the request of Licensee or an Authorized User). The Software, Documentation, and the terms and conditions of this Agreement are the confidential information of Allure.

2.2 **Usage Data.** Allure may extract, compile, synthesize, and analyze data or information resulting from Licensee's or its Authorized Users' use of the Software ("**Usage Data**") using data capture, syndication, analysis and other similar tools or otherwise. To the extent that any Usage Data is collected by Allure, such Usage Data shall be solely owned by Allure and may be used by Allure for any lawful purpose, provided that the Usage Data is used only in an anonymized and aggregated form and in a manner that does not permit the identification of Licensee or any Authorized User.

2.3 **Feedback.** Licensee acknowledges and agrees that any comments, ideas and/or reports it provides to Allure regarding installation, product experience, functionality, performance, accuracy, consistency and ease of use of the

Software or any related services (“**Feedback**”) will be considered Allure’s proprietary and confidential information, and Licensee hereby irrevocably transfers and assigns to Allure all intellectual property rights embodied in or arising in connection with such Feedback, and any other rights or claims that Licensee may have with respect to any such Feedback. Allure, in its sole discretion, may freely utilize all Feedback, whether written or oral, furnished by Licensee to Allure, without attribution or compensation of any kind.

**3. FEES AND PAYMENT.** Licensee agrees to pay Allure the fees for the Software set forth on the Order in accordance with the payment schedule set forth thereon. Except as otherwise agreed in writing, all invoiced amounts are due and payable thirty (30) days from the date of invoice. Licensee shall pay or reimburse Allure for all sales, use, transfer, privilege, excise, and all other taxes and all duties, whether international, national, state or local, however designated, which are levied or imposed specifically by reason of the performance by Allure under this Agreement, other than taxes based on Allure’s net income. All amounts which are not paid by Licensee as required by this Agreement shall be subject to a late charge equal to one percent (1%) per month (or, if less, the maximum allowed by applicable law). In the event that any payment due hereunder is overdue, Allure reserves the right to suspend access to the Software until such delinquency is corrected.

**4. LIMITED WARRANTY; DISCLAIMER.** Subject to the limitations and exceptions set forth in this Agreement, Allure warrants, that when properly used for the purpose and in the manner authorized by this Agreement, the Software will, during a Subscription Term, perform substantially in accordance with the specifications set forth in the Documentation. Licensee’s sole and exclusive remedy and Allure’s sole and exclusive obligation under this warranty shall be, at Allure’s sole discretion, (i) for Allure to correct any failure of the Software to perform as warranted, (ii) for Allure to replace the Software with a new copy or update, or (iii) termination of this Agreement and the licenses granted herein, and a refund of that portion of the prepaid Subscription Fee associated with the unused prepaid portion of the then current Subscription Term. OTHERWISE, TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, EXCEPT FOR THE EXPRESS WARRANTY STATED ABOVE, THE SOFTWARE IS PROVIDED “AS IS” AND THE LICENSEE ACCEPTS THE ENTIRE RISK AS TO THE QUALITY, PERFORMANCE AND RESULTS OF USE OF THE SOFTWARE, TECHNOLOGY, DOCUMENTATION, AND ANY CONTENT OR RESULTS PROVIDED THROUGH THE SOFTWARE, AND ALLURE DISCLAIMS ANY AND ALL OTHER REPRESENTATIONS AND WARRANTIES, WHETHER EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT, SYSTEM INTEGRATION AND/OR DATA ACCURACY. ALLURE DOES NOT WARRANT THAT THE SOFTWARE, THE CONTENT PROVIDED THROUGH THE SOFTWARE OR ANY OTHER MATERIALS, INFORMATION OR SERVICES PROVIDED BY ALLURE WILL MEET LICENSEE’S REQUIREMENTS OR THAT THEIR OPERATION WILL BE SECURE, UNINTERRUPTED OR ERROR-FREE, OR THAT ALL ERRORS WILL BE CORRECTED. USE OF THE SOFTWARE MAY BE SUBJECT TO LIMITATIONS, DELAYS, AND OTHER PROBLEMS INHERENT IN THE USE OF THE INTERNET AND ELECTRONIC COMMUNICATIONS. ALLURE IS NOT RESPONSIBLE FOR ANY DELAYS, DELIVERY FAILURES, OR OTHER DAMAGE RESULTING FROM SUCH PROBLEMS. FURTHER, LICENSEE UNDERSTANDS AND AGREES THAT THE SOFTWARE IS NOT FAULT-TOLERANT AND IS NOT DESIGNED OR INTENDED FOR USE IN ANY HIGH-RISK OR HAZARDOUS ENVIRONMENT, WHERE THE FAILURE OR MALFUNCTION OF THE SOFTWARE CAN REASONABLY BE EXPECTED TO RESULT IN DEATH, PERSONAL INJURY, SEVERE PROPERTY DAMAGE OR SEVERE ENVIRONMENTAL HARM. ALLURE SHALL NOT BE LIABLE TO LICENSEE IN ANY WAY FOR USE OF THE SOFTWARE IN A HIGH RISK ENVIRONMENT.

**5. INDEMNIFICATION.** Allure shall (a) defend Licensee from and against any third party claim that the Software infringes a United States patent, copyright, trademark, or other intellectual property right of such third party, and (b) pay the resulting cost and damages finally awarded against Licensee by a court of competent jurisdiction or the amount stated in a written settlement signed by Allure. The foregoing obligations are contingent upon Licensee providing Allure with: (i) prompt notice of such claim (and in any event notice in sufficient time for Allure to respond without prejudice); (ii) the exclusive right to control, direct, and perform the investigation, defense, or settlement of such claim; and (iii) such assistance as may be reasonably requested by Allure at Allure’s expense. If Allure’s use of the Software is, or in Allure’s opinion is likely to be, enjoined, or if required by settlement, or if commercially advisable (as determined in Allure’s sole discretion), Allure may: (x) substitute for the infringing element of the Software functionally similar technology; (y) procure for Licensee the right to continue using the Software; or, (z) terminate this Agreement and refund to Licensee that portion of the subscription license fee prepaid for the then-current Subscription Term which reflects the unused prepaid portion of such term. The foregoing defense and indemnification obligations of Allure shall not apply to the extent the alleged infringement arises out of the use or combination of the Software with other non-Allure products, services, or processes, or any unauthorized use of the Software. THIS SECTION STATES LICENSEE’S SOLE AND EXCLUSIVE REMEDY AND ALLURE’S ENTIRE LIABILITY FOR THIRD PARTY INFRINGEMENT CLAIMS

**6. LIMITATIONS OF LIABILITY.** IN NO EVENT WILL ALLURE BE LIABLE TO LICENSEE FOR ANY INCIDENTAL, INDIRECT, SPECIAL, CONSEQUENTIAL OR PUNITIVE DAMAGES, REGARDLESS OF THE NATURE OF THE CLAIM, INCLUDING, WITHOUT LIMITATION, LOST PROFITS, LOSS OF REVENUE, COSTS OF DELAY, ANY FAILURE OF DELIVERY, BUSINESS INTERRUPTION, COSTS OF LOST OR DAMAGED DATA, OR LIABILITIES TO THIRD PARTIES ARISING FROM ANY SOURCE, EVEN IF ALLURE HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. NOTWITHSTANDING ANY OTHER PROVISION UNDER THIS AGREEMENT, EXCEPT FOR LIABILITY ARISING FROM THIRD PARTY CLAIMS THAT THE SOFTWARE AS PROVIDED BY ALLURE TO LICENSEE HEREUNDER INFRINGES OR MISAPPROPRIATES THE INTELLECTUAL PROPERTY RIGHTS OF A THIRD PARTY, UNDER NO CIRCUMSTANCES WILL THE TOTAL AGGREGATE LIABILITY OF ALLURE TO LICENSEE FOR ALL CLAIMS ARISING FROM OR RELATING TO THIS AGREEMENT AND/OR THE SOFTWARE EXCEED THE TOTAL AMOUNT OF FEES PAID TO ALLURE BY LICENSEE WITH RESPECT TO LICENSEE'S USE OF THE SOFTWARE DURING THE THEN CURRENT SUBSCRIPTION TERM. THE LIMITATIONS SET FORTH HEREIN ARE INTENDED TO APPLY WITHOUT REGARD TO WHETHER OTHER PROVISIONS OF THIS AGREEMENT HAVE FAILED OF THEIR ESSENTIAL PURPOSE.

Licensee acknowledges and understands that the disclaimers, exclusions and limitations of liability set forth in Sections 5 and 6 form an essential basis for Allure's agreement to enter into this Agreement and any Order.

**7. CONFIDENTIALITY.** Each party acknowledges that by reason of the relationship created between the parties by this Agreement, it may have access to certain non-public information of substantial value concerning the other party's business, operations, strategic plans, customers, suppliers, technology, competition and employees ("Confidential Information"), which value would be impaired if such Confidential Information were disclosed to third parties or used other than for purposes expressly authorized hereunder. Without limiting the foregoing, but for avoidance of doubt the terms of this Agreement, and any performance, warranty and like information relating to the Product (by whomsoever generated or communicated) will be considered the Confidential Information of Apparent. Accordingly, each party agrees (a) to maintain all Confidential Information received from the other, in whatever form disclosed, in strict confidence, (b) not to disclose or otherwise make available such Confidential Information to any third party without the prior written consent of the disclosing party, and (c) not to use the Confidential Information of the other party except as required in the performance of its obligations or the exercise of its rights hereunder. The foregoing obligations shall not apply to Confidential Information of a disclosing party that, as can be reasonably demonstrated with admissible evidence by the receiving party: (i) is or becomes a matter of public knowledge though no action or omission of the receiving party; (ii) was rightfully in the receiving party's possession without restrictions on use or disclosure prior to its disclosure by the disclosing party; (iii) is rightfully obtained by the receiving party without an obligation of confidentiality from a third party who has no obligation of confidentiality, direct or indirect, to the disclosing party; (iv) is independently developed by the receiving party without reference to the disclosing party's Confidential Information; or (v) is required to be disclosed by a court or other authorized tribunal, and then only to the extent of such requirement and only after given prompt notice of the requirement to the disclosing party. Upon the written request of the disclosing party (subject to each party's rights, during the term of this Agreement, to retain a copy of the other's Confidential Information solely for purposes of performing its obligations and exercising its rights hereunder) or upon any termination of this Agreement, the receiving party shall (a) immediately return to the disclosing party or destroy all copies and partial copies of the disclosing party's Confidential Information, whether maintained in tangible, electronic or other form (including permanently erasing any portions thereof from computers and systems) and (b) provide the disclosing party with written certification of its compliance with the terms of this section. Each party acknowledges that any breach of any of its obligations with respect to the other party's Confidential Information may cause or threaten irreparable harm to such party. Accordingly, each party agrees that in such event, the aggrieved party shall be entitled to seek equitable relief in any court of competent jurisdiction without the necessity of posting bond and in addition to such other remedies as may be available to the aggrieved party under law or in equity.

## **8. TERM AND TERMINATION.**

**8.1 Term.** The term of this Agreement will continue as long as an Order remains in effect, unless earlier terminated in accordance with this Section 8. A Subscription Term shall commence on the effective date of an Order, shall continue for the term specified in the Order, and shall automatically renew for successive one (1) year terms thereafter unless either party gives the other party written notice of its intent not to renew the Subscription Term at least thirty (30) days prior to the expiration of the then-current Subscription Term.

**8.2 Termination for Breach.** Either party may, at its option, terminate this Agreement or an Order in the event the other party materially breaches any of its duties, obligations or responsibilities under this Agreement or an Order and fails to cure such breach (or provide an acceptable plan for curing such breach) within thirty (30) days after receipt by the breaching party of written notice specifying the breach. In the event of a termination by Allure under this Section 8.2, Licensee remains responsible for payment of all fees due under any Order outstanding at the time of termination.

**8.3 Additional Rights to Suspend.** Allure reserves the right, in its sole discretion, to decline or otherwise suspend access to the Software to Licensee or any Authorized User, without notice, in the event Licensee or such Authorized User (i) is in violation of this Agreement; (ii) poses a threat to the security or operation of the Software and/or Allure's systems; or (iii) exposes Allure or any other licensee to potential damages.

**8.4 Effect of Termination.** Upon any termination of this Agreement pursuant to Section 8.2: (a) Licensee will immediately discontinue all use of, and delete all copies of, the Software, the Documentation, and any Allure Confidential Information; (b) Licensee will return, delete, purge or otherwise destroy any Allure Confidential Information and all copies of the Documentation then in Licensee's possession; and (c) Licensee will promptly pay to Allure all amounts due and payable hereunder. Allure shall have no obligation to maintain or provide any of Licensee's Data and shall upon termination, unless legally prohibited, delete all of Licensee's Data in Allure's systems or otherwise in Allure's possession or under control. Termination of this Agreement (or any Order) will not limit either party from pursuing other remedies available to it, including injunctive relief. Any provisions providing for limitations on liability, and those terms which by their nature were intended to survive any termination of this Agreement shall so survive.

**9. MISCELLANEOUS.** (a) This Agreement sets forth the entire agreement and understanding between the parties and, except as specifically provided herein, supersedes and merges all prior agreements between the parties with respect to the subject matter hereof. Neither of the parties will be bound by any other conditions, inducements or representations, whether included in any purchase order, invoice or otherwise, even if such document is accepted by a party. (b) Licensee and Allure act and will act at all times as independent contractors, and nothing contained in this Agreement will be construed or implied to create an agency, partnership or employer and employee relationship between them. (c) All notices will be in writing and will be personally delivered or sent by means of overnight or express courier or certified mail, postage prepaid, to the parties at their respective headquarters or to such other address as the receiving party may have given by written notice to the notifying party in accordance with this provision. Notices to Allure will be addressed to the attention of Allure Operations, with a copy to: CEO, Allure Security Technology, Inc. (d) This Agreement may not be amended or modified except in a writing duly executed by authorized representatives of both parties. (e) Licensee may not assign this Agreement or any of its licenses, rights or duties under this Agreement, whether by operation of law or otherwise, without the prior written consent of Allure; provided however, that Licensee may, assign this Agreement to an affiliate of Licensee or to a third party to whom Licensee has assigned all or substantially all of its assets or control, or as a result of a sale or merger or consolidation, in each case provided that (I) such assignee has agreed who agrees in writing to be bound by the terms herein, (II) the assignee is not a direct competitor of Allure, (III) Licensee is current in its payments hereunder, and (IV) Licensee provides notice of such assignment to Allure either prior to or promptly following the effective date of such assignment. Subject to the previous sentence, the rights and liabilities of the parties hereto will bind and inure to the benefit of their respective successors and assignees. (f) If any provision of this Agreement is invalid or unenforceable for any reason in any jurisdiction, such provision will be construed to have been adjusted to the minimum extent necessary to cure such invalidity or unenforceability. The invalidity or unenforceability of one or more of the provisions contained in this Agreement will not have the effect of rendering any such provision invalid or unenforceable in any other case, circumstance or jurisdiction, or of rendering any other provisions of this Agreement invalid or unenforceable whatsoever. (g) A waiver shall only be deemed to have been made if expressed in writing by the party granting such waiver and shall not be construed as a waiver of future performance of any such term. (h) Neither party will be liable for any failure or delay in its performance under this Agreement (or the performance of or access to the Software), other than payment obligations, due to causes that are beyond its reasonable control, including, but not limited to, an act of God, act of civil or military authority, fire, epidemic, flood, earthquake, riot, war, terrorism, sabotage, and governmental action; provided that the delayed party: (I) gives the other party written notice of such cause promptly; and (II) uses its reasonable efforts to correct such failure or delay. If a party is prevented or delayed from performing for more than ninety (90) days, the other party may terminate this Agreement upon thirty (30) days' written notice. (i) This Agreement will be governed by and interpreted in accordance with the laws of the Commonwealth of Massachusetts, without regard to conflicts of law principles thereof or to the United Nations Convention on the International Sale of Goods. For purposes of all claims brought under this Agreement, each of the parties hereby irrevocably submits to the exclusive jurisdiction of the state and federal courts located in Massachusetts. (j) This Agreement may be executed in any number of counterparts, each of which when so executed will be deemed to be an original and all of which when taken together will constitute one Agreement. (k) The headings in this Agreement are included merely for the purpose of convenience and will not affect the meaning or interpretation of this Agreement. (l) If Licensee is an agency of the United States Government, or the license granted hereunder is pursuant to a contract with either a defense or civilian agency of the United States Government, Licensee agrees that the Product is provided with the commercial license rights stated herein and as set forth in FAR 52.244.6 and DFAR 227.7202.4, as applicable, or in successor provisions, as well as the terms set forth in this Agreement. (m) The Software is subject to United States export laws and administrative regulations. Licensee agrees not to export or re-export the Product to: (I) to any country or region to which the United States has

embargoed or restricted the export of goods or services, which currently include, but are not necessarily limited to Cuba, Iran, Iraq, Libya, North Korea, Sudan, the Taliban and Syria, or to any national of any such country or region, wherever located, who intends to transmit or transport the Software back to such country or region; (II) to any person or entity who the Licensee knows or has reason to know will use the Software in the design, development or production of nuclear, chemical or biological weapons; or (III) to any person or entity who has been prohibited from participating in United States export transactions by any federal agency of the United States government. (n) Allure may issue a press release announcing and promoting the parties' relationship, and the right to include Licensee in Allure's list of customers (in print and online).
